

Dear Parents,

Application for installing self-purchased or free learning software on Students' iPad

To enable student to learn effectively with their iPads, suitable learning programs have been installed on the device.

If you wish to install other self-purchased or free learning software on your children's iPad, please browse the school website (Parents' Area→Useful links→Guidelines of online learning→ Application for installing self-purchased or free learning software on iPad). Alternatively, you can follow webpage and complete the online form to submit your application.

<https://sites.google.com/plkfs.edu.hk/online-learning/home>

Please note the following items:

1. Parents should discuss the aims of learning programs and rules of using the programs with their children before application.
2. Parents and students must use the student's Google account to login the system and submit the online form.
3. Self-purchased and free learning software must be relevant to the learning.
4. The installation of software must comply with the copyrights law.
5. IT technical team will contact parents within 3 working days to discuss the installation details.
6. During the installation process, parents should use their personal Apple ID and complete the installation on or before the designated date.

Should you have any inquiries, please feel free to contact our Assistant Principal Mr. Lau Chun Wai or the IT support team.

Yours sincerely,

Ms. Joanna Or
Acting Principal
