General information about remote learning

1. During the remote learning period, our lessons, which are divided into live lessons, video lessons and independent classwork, will be conducted online. Students are required to follow the instructions from the teachers according to the lesson schedule.
2. Similar to normal lessons, students have to obey class rules, focus on learning and develop positive learning attitudes during online classes. Any activities not required by the lessons should be avoided.
3. Students should attend classes according to the timetables for the roll call to be done at the beginning of each lesson. S1-S3 students should click the links set at their Google Calendar for the classes. For S4-S6, further instructions will be given by the subject teachers. S4 students can make use of the links to Google Meet in Google Classroom to attend the first lesson of each subject.
4. Teachers will follow the EDB's guidelines to arrange different learning activities or regular breaks (every 25 minutes) during online lessons so as to minimize screen time for students.
5. Class Teacher Time, Reading Time and Reflection Time in our timetable will all be suspended until further notice.
6. Students are required to enter different learning and school activities with their Google accounts. They should immediately contact the technician Mr. Wong or Ms Yip at 2109 1133 for a reset if their logon password is lost.
7. Parents and students should ensure the IT equipment (like the camera and microphone) is in good working order. Students may be required to turn on the camera when necessary. To avoid learning being affected, it is highly recommended that any technical problems should be fixed at your earliest convenience.
8. To understand the daily learning activities, you may visit our online class diary at <https://clasdiary.plkcfs.edu.hk>.
9. To get the latest information about the assignment submissions of students, you can refer to the To Do List at Google Classroom.
10. To make it easier for your child to concentrate on class activities, it is recommended that parents set up a dedicated quiet space for the online classes.
11. For more information about online learning of our school, please visit our school web <https://www.plkcfs.edu.hk> or our Google site <https://sites.google.com/plkcfs.edu.hk/online-learning/home>.
