Please refer to the compulsory testing notice dated 4 May 2021 published in the Government Gazette for details. ([Annex 1](#))

Upon receiving the notification, the School has explained the latest situation to all students and staff and helped to identify those who are subject to compulsory testing today in class time. Although only a very small number of students were identified for compulsory testing, we still reminded the concerned students to take COVID-19 test as soon as possible.

In accordance with the guidelines for schools, students who are subject to compulsory testing must inform the school after obtaining the negative COVID-19 test results before returning to the school. Should your child be subject to compulsory testing, please report the negative results to class teacher(s) upon receipt of the test result. Students must present the related proof (for example, email delivered by Automatic Batch Mailer or laboratory testing reports) to the school before entry to the campus. Before obtaining the negative results, your child must study at home. Please observe the leave application procedure to report for absence. The School will use to discretion to handle such applications.

Should you have any questions, please feel free to contact your child(ren)'s class teacher(s).

Yours sincerely,
